APPLEWINE HEIRLOOM CIDER

## SIERRA BEAUTY

Rare Sierra Beauty apples were planted at Gowan's in 1906, and as time went on became virtually extinct elsewhere. This full bodied applewine cider is 'still,' (no bubbles) with rich apple aromatics and tannins that come from the apples themselves, adding to the complexity. Discover aromas of shade flowers, notes of orange, apricot, and spice. Enjoy slightly chilled. Pair with savory dishes, cheeses, salads, garlic potatoes, oatmeal raisin cookies.

### ***PURE & NATURAL—FARM FRESH!***
